Take the R24 to Johannesburg. Keep in the left lane. A few km's after passing under a large pedestrian bridge, you get to the Gilooly's intersection. Be careful here! Take the N3 North highway to Pretoria (it takes a sharp turn to the left and spirals down to pass under the road you have just been on). You come to another large interchange - take the N1 South highway to Roodepoort /Bloemfontein. DO NOT TAKE the N1 North to Pretoria or you will find yourself in Midrand. Once on the N1 South, you pass the turnoffs Rivonia Road, William Nicol and Malibongwe Drive. Take the next off-ramp after Malibongwe, the Beyers Naude Off-ramp, and turn right towards Honeydew i.e. cross over the highway you have just been on. Keep on Beyers Naude (which becomes the M5). You pass through several major intersections, the road narrows down to single lane. You will pass Garden World Nursery on the right and Oakfield Farm on your left. Just after the road widens, turn left into DRIFT BOULEVARD/MULDRSDRIFT (R114). The Hotel is about 800 metres down the road on the right.

From: Krugersdorp

Take the R28 to Pretoria. Come down the hill and cross over the big intersection onto the N14 to Pretoria. Take the Muldersdrift / Driefontein off-ramp to your left. Turn immediately right at the Driefontein sign. Go underneath the bridge and turn left at the stop street. (Drift Boulevard) Travel for about 1,5 km. Misty Hills and Carnivore will be on your left.

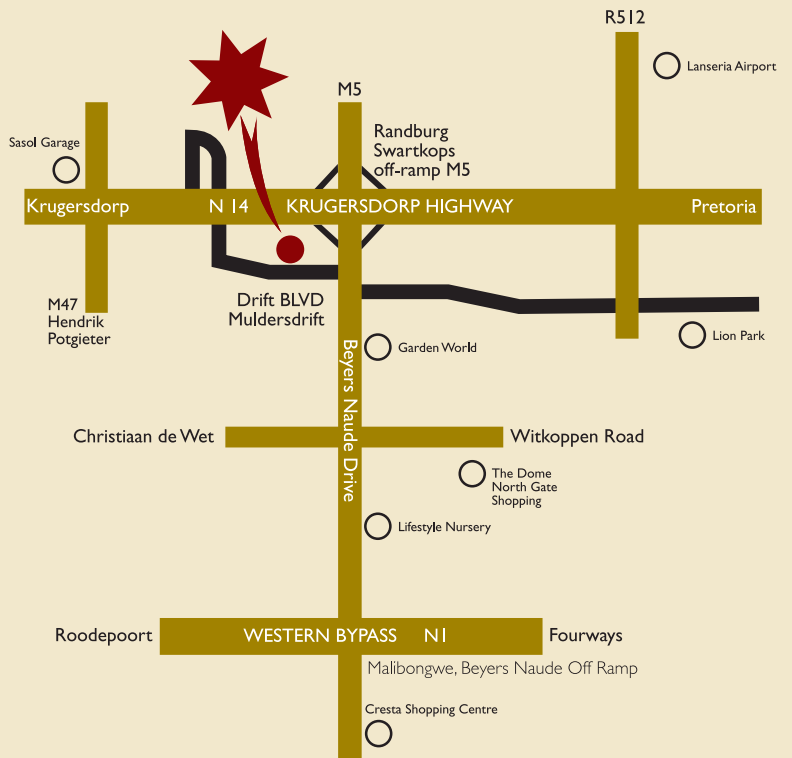

From: Pretoria

Take the N1 South to Johannesburg. Carry straight onto the N14/R28 to Krugersdorp. Pass R55, R511, Lanseria (R512) turnoff. Take the next turnoff - M5 Zwartskop / Randburg. Turn left at the top (away from highway).

Take the 2nd turn to your right (about 1km) into DRIFT BLVD / MULDRSDRIFT (R114). Misty Hills is about 800 metres down the road on the right.

From: Sandton

Take William Nicol north towards Bryanston/Fourways. Take the N1 south high way towards Roodepoort/ Bloemfontein. Once on the N1 South, you pass the Malibongwe turnoff. Take the M5 Beyers Naude off-ramp & follow directions as from Airport.
